

Attention:

Kabuto helmets imported via unauthorized distribution

Thank you for using Kabuto products.

Kabuto motorcycle and bicycle helmets are designed, corresponding to each market. However, those imported via unauthorized distribution, such as online shopping, may have a different safety standard from your country/region.

In this case, the helmet may not be allowed to use on public roads, in racings and touring events in your country/region.

Please make sure above matter of concern and consider your purchase.
